

Starting on **INGREZZA**[®] (valbenazine) capsules: **What You Need to Know**

Once you and your healthcare provider have decided that **INGREZZA** is right for you, the **INBRACE**[®] Support Program is here to help.

Here is what to know when your healthcare provider submits your prescription for **INGREZZA:**

The **INBRACE Support Program** is designed to help patients who are prescribed **INGREZZA**. From prescription fulfillment to financial assistance and product support, the program assists patients and caregivers—so they can focus on treatment goals.

You may get **INGREZZA** from a specialty pharmacy. This is a special type of pharmacy that deals with medicines that may not be available at your local, retail pharmacy. The specialty pharmacy will verify your insurance coverage. Once your insurance has authorized coverage, the specialty pharmacy will call you to arrange shipment.

Your specialty pharmacy will ship **INGREZZA** directly to you at a location of your choosing via overnight delivery.

The **INBRACE Support Program and your specialty pharmacy will call you with important information about your medication. These calls may come from an unidentified toll-free number, so be sure to answer your phone.**

For additional information, visit www.inbracesupportprogram.com or call **84-INGREZZA (844-647-3992)**, 8 AM – 8 PM ET, Monday – Friday.
