

When your healthcare provider starts you on **INGREZZA**[®] (valbenazine) capsules, the **INBRACE**[®] Support Program is here to help.

The **INBRACE** Support Program is designed to help patients who are prescribed **INGREZZA** by assisting with prescription fulfillment, financial assistance, and product support.

You may get **INGREZZA** from a specialty pharmacy, which is a pharmacy that deals with medicines that may not be available at your local retail pharmacy. The specialty pharmacy will verify your insurance coverage and work with your provider to complete any additional paperwork required by your insurance.

Once coverage has been authorized, the specialty pharmacy will call you to arrange shipment of **INGREZZA** directly to a location of your choosing via free overnight delivery. Someone will need to sign for the prescription at the time of delivery. (For some people, **INGREZZA** will be shipped to an alternate caregiver or your healthcare provider's office.)

It's possible that your provider may use a local affiliated pharmacy with access to **INGREZZA** to fill your prescription. In that case, your provider and/or pharmacy will assist with submitting any additional paperwork required by your insurance.

ANSWER YOUR PHONE
